What's Inside?

Here are the five traits of a knight that will guide your hero through the just path.

Courage : The ultimate weapon against fear.

Faith : Always necessary in times of darkness.

Hope : The last to die.

Justice : At the face of victory, justice will show you the way.

Nobility : All actions have to be noble, for noble actions speak louder than any word.

We always add an “_Icon” file to each of our sample packs, which can be used to replace the existing icon of the sample pack's folder. This is done to offer a more personalized and branded experience.
